iMovR EcoLast™ Premium Standing Mats Warranty and Care Information

10-Year Comprehensive Performance Warranty

Only iMovR offers a comprehensive 10 year full-performance warranty on its EcoLast Premium Standing Mats. Besides normal manufacturer defects, iMovR warrants that all Premium Standing Mats will:

Remain Unmatched In Comfort

iMovR EcoLast Premium Standing Mats provide the optimum in comfort and relief. The polyurethane composite effectively suspends body weight thus reducing impact on the back, legs, and feet while encouraging proprioception (rebalancing). This exclusive advantage results in unmatched and consistent comfort for the life of the product.

Always Lie Flat

The twenty-degree, gradually beveled edges of an iMovR EcoLast Premium Standing Mat will never roll up, which prevents dangerous trip hazards. Distinctive to iMovR EcoLast Premium Standing Mats, our Advanced Polyurethane Technology (APT) includes 100% memory properties, meaning the mat is cured flat and will remain flat.

Never Delaminate

The unique, one-piece construction of the iMovR EcoLast Premium Standing Mat eliminates the need for glues or toxic bonding agents that often break down over time. Our mats will never separate, bubble up, ripple, or tear as a result of broken-down glues.

Never Compress

iMovR EcoLast Premium Standing Mats have an unprecedented immediate-recovery (bounce back) and are guaranteed to never lose their form. The polyurethane construction will not compress (squish down) creating dangerous high and low spots or loose resiliency. This results in consistent comfort, even where the most frequent standing occurs.

Never Wear Through

Our advanced designs protect against high traffic erosion. Deterioration is greatly reduced with our premium polyurethane products.

Flooring Care

Designed to provide comfort and wellbeing, iMovR EcoLast Premium Standing Mats require little to no special care. Clean as you would your floor. iMovR EcoLast Premium Standing Mats can be spot cleaned, swept, stick vacuumed (non-brushrolled) or mopped. If needed, iMovR EcoLast Premium Standing Mats can be cleaned with commercial cleaners or residential products such as Fantastic and Formula 409.

Mats should be stored flat; however, they may be rolled with the bottom side to the inside and the top surface to the outside. Do not roll or bend mats with the top surface to the inside as this will cause damage to the mats.
